

with Safety Glass Shelves and Integrated Cable Management

- **Spacious yet discreet design** accommodates LCD and Plasma screens up to 50" whilst providing ample space for most AV equipment, including set-top box, DVD player, games consoles etc.
- **Stunning Black Satin Sparkle finish** to complement the style of the contemporary furniture and the latest AV equipment.
- **Practical enclosed design** enhances appearance whilst protecting valuable AV equipment from "inquisitive fingers" and dust particle damage.
- **Safety glass** door panel and internal adjustable shelves, toughened to BS6206A, to ensure personal safety.
- **DVD storage** within the central shelf area will accommodate 10 DVDs or 15 CDs.
- **Smooth action door** opening mechanism helps to prevent accidents by ensuring that the door opens gradually and does not descend with an impact.
- **Low profile roller glides with 360 degree rotation** allow safe and easy movement whilst being hidden from view.
- **Rear cable access** allows for simple and quick connection of all AV equipment.
