

(Equipment not included)

- **Separate Integrated Cable** channel built into central column. Innovative design gives excellent rigidity with ease of assembly.
- **Included Mineral Aggregate** Sound Sink Filling to be used in the main column reduces unwanted vibrations.
- **Weighted and shaped base** provides a solid platform and comes complete with stylish conical spikes.
- **Stylish design** with an overall height of 60cm (23½") to give a convenient listening height for the vast majority of speakers.
- **Adjustable Top Plate Cones** isolate the speaker contributing to improved sound reproduction.
- **Three modern finishes** Black (AG60-B), Silver (AG60-S) and Chrome (AG60-C) to complement the majority of modern equipment finishes and domestic settings.
