

with 'D' Shaped Safety Glass Shelves and 'Cable Cover'

- **Practical, stylish and specifically designed** to accommodate up to 60" Plasma or DLP TV, with sufficient shelf space for full-size hi-fi or mini separates plus DVD player, video recorder, satellite receiver or home cinema system.
- **Safety glass shelves** toughened to BS6206A with edges polished & shaped offering an assurance of personal safety. Safety Glass Thickness: Top - 10mm / Base - 8mm.
- **Stunning black finish** - a combination of high gloss **PIANO BLACK** glass shelves and silver brushed aluminium tube supports gives sleek and stylish looks, complementing the designs of the latest AV equipment.
- **Cable Tidy facility** designed within both shelves and supplied complete with **Cable Cover** tube to fully conceal all unsightly wires.
- **Increased support, stability and rigidity** contributing to improvement in sound and picture performance using large diameter supports coupled with Alphason's innovative tensioned rod design.
- **Spacious shelf height and width** - height between top and base 264mm (10³/₈""). Front aperture of 1050mm (41¹/₄"") between supports, with total usable shelf width of 1187mm (46³/₄"").
- **Modified shelf depth** of 450mm (17³/₄"") makes the unit ideally suited to support plasma screens.
- **Complementary products** - in the AD range include supports for full size hi-fi separates (AD5/47), Mini hi-fi separates (AD5/31 & AD3/31) and speakers (AD50 - loudspeakers & AD100 - surround speakers).

- Height: 340mm
- Width: 1187mm
- Depth: 450mm
