

with 'D' Shaped Safety Glass Shelves & Cable Guide Facility

- **Practical, stylish and specifically designed** to accommodate up to 26" LCD screens, with sufficient shelf space for DVD, Video, Satellite receiver or home cinema system.
- **Safety glass shelves** toughened to BS6206A with edges polished and shaped offering the assurance of personal safety. Safety Glass Thickness Top, Middle & Base - 6mm.
- **Stunning black finish** - a combination of high gloss **PIANO BLACK** glass shelves and silver brushed aluminium tube supports gives sleek and stylish looks, complementing the designs of the latest AV equipment.
- **Increased support, stability and rigidity** contributing to improvement in sound and picture performance using coated steel supports coupled with Alphason's innovative tensioned rod design.
- **Compact shelf height and width** - height between base and middle 264mm (10<sup>3</sup>/<sub>8</sub>" ), middle to top of 185mm (7<sup>1</sup>/<sub>4</sub>" ). Front aperture of 510mm (20") between supports, with total usable shelf width of 600mm (23<sup>1</sup>/<sub>2</sub>" ).
- **Modified Shelf depth** of 400mm (15<sup>3</sup>/<sub>4</sub>" ) make the unit ideal to support LCD screens, enabling convenient positioning against a wall or into a corner. Cable Guide facility incorporated into all three shelves.
- **Complementary products** - in the AD range include supports for full size hi-fi separates (AD5/47), Mini hi-fi separates (AD5/31 & AD3/31) and speakers (AD50 - loudspeakers & AD100 - surround speakers).

- Height: 510mm
- Width: 600mm
- Depth: 400mm
